QUALITY WARRANTY

We hereby warrant the life of the plastic solar post cap lights for at least 1 year from date of purchase, in normal working conditions, if the light doesn't charge, the LED bulb will not work. McFarland Cascade will replace the defective cap or caps with the same style of solar post cap for free. If any post caps rust within the first year of use McFarland Cascade will also replace the cap or caps.

McFarland has the right to have the defective caps sent back to us for our inspection along with dated proof of purchase.
